Heathmont College has had an extremely successful year in 2014. We have continued to build on our successes of the last few years. This has been reflected in strong enrolments, especially from local primary schools where our enrolments have increased significantly for 2015. This is a very pleasing reflection on the improvements within the College and the recognition that this is gaining in the wider community.

I would like to express my thanks to all of the staff at the College, both Teachers and Education Support staff, for all of their work and support of Heathmont College. I am very fortunate to have such a fantastic team here at the College. A school needs dedicated, hard working and committed staff to move forward and that is what we have at Heathmont. I would also like to congratulate the students for all of their hard work and focus this year. Their efforts have clearly been rewarded in the outstanding results.

School Council

I would also like to thank the College Council for all of their work and support of myself this year. We have had a number of significant projects occurring this year and they have worked very productively in this voluntary role to assist with the programs. They have been active on a number of committees and remained focused during some very long Council Meetings while important matters were being addressed.

My thanks go to: Brian Niven, Tim Neve, Daryl Perry, Garry Oakley, Shantelle Barry, Beau Dreux, Joanne Clifton, Nina Ling, Michael Meadows and Mandy Rienits.

Year 7 for 2015 Orientation Day

Thanks to Miss Christodoulou, Ms. Richards, Mr. Barca and Mrs. Luciano for all their work with this day. It was wonderful to see so many bright faces attending this session at the College. I have interviewed most families who are commencing at the school next year and we are very excited about the high quality of the students. It is interesting to note the large number of students who are competing at a State Level in sporting fields who will be joining us next year. This will be very positive for the College as we continue with our recent sporting successes!

Retirements

The following staff are retiring from Heathmont College and the Department of Education and Training after lengthy service to our community.

Wendy Averay - Library; Elizabeth Downey - Library; Jane King - Arts/ Technology

On behalf of the College, I thank them for all their work and wish them the very best for their futures.

I would like to take this opportunity to wish you all a safe and happy Christmas. I look forward to seeing you in 2015.

College Principal
Dear Parents

Second-hand Textbook Trading

The College is delighted with the outcomes and will continue to use the services of the Sustainable School Shop to enable families to buy and sell their second-hand textbooks and other student resources. We encourage families to continue to support this helpful service.

Please be informed that the complimentary subscriptions provided by the Sustainable School Shop for the past year will commence to expire.

Families are offered three levels of access:

- Search only - registering/logging-in on the Sustainable School Shop, searching all the for sale ads and gaining the sellers’ contact details is free.
- Single items cost $1.00 to be advertised
- Subscription - an annual subscription costs $19.95 and is the most anyone will pay. These are taken by families who have many items to advertise.

The service provides access to second-hand textbooks, calculators, stationery, musical equipment, etc all year round. Parents can even trade with other parents from nearby schools and sell items no longer in use at our college. Many schools in the area are using this service.

For the best results:

- List your items for sale
- List wanted ads for those items you are looking to buy
- The college’s booklists are loaded into the system to make listing ads easy
- The system matches the ads of buyers with sellers and notifies the buyer via email
- Buyers contact sellers and arrange where and when to trade
- Most trading will occur with other parents from the school
- Parents are well supported via Sustainable School Shop’s telephone (1300 683 337) and email help lines
- The system is simple and easy to use - If you don’t have a computer, internet access or an email address, please call the Sustainable School Shop for assistance
- **You can pre-arrange the transaction and then trade after the texts are not required.**

All enquiries should be directed to the Sustainable School Shop on: 1300 683 337 or help is also available through ‘Contact Us’ on their website at [www.sustainableschoolshop.com.au](http://www.sustainableschoolshop.com.au)

We hope you will make the most of this opportunity and gain the benefit from recycling your student’s school items and assist another family at the same time.

2014 has been a very successful year for Middle School students – both academically and in extra-curricular activities. We have been impressed with the pride students have in the college and the connection with their year level, which has strengthened over the year. There have been many highlights, in particular with the responsibilities many of our students have willingly taken on. The Year 7 students met their buddies at Orientation Day and student leaders at the Phillip Island camp and immediately understood the value and importance of leadership. Our Ambassadors and year level captains have proudly represented their peers and the college at numerous events throughout the year. We would like to thank them for their commitment and strong leadership in 2014. Many students have also been involved in other ways to positively represent our college. The State Schools spectacular, sporting events, music performances, Maths, Science and Indonesian competitions and year level excursions have demonstrated the respectful and committed manner of our students. The staff have been impressed with the willingness of students to put extra time and effort into these events and they have witnessed the growth in confidence for these students.

The work ethic displayed in classes across Middle School this year has been admirable. It has been exciting to see the Year 7 and 8 students take on the challenge of working cooperatively in mixed groups in Maths and English, presenting ideas in robust discussions and debates and challenging each other to achieve high standards in tasks. Our students have planned and lead their Learning Group assemblies each week, congratulating each other on achieving excellent results in their subjects. The Year 9 students have used their experiences with planning and attending excursions to the city to become thoughtful and respectful citizens. The Middle School team is very proud of the effort and behaviour from the students and we are confident that they will continue to represent their college in their academic pursuits and as members of the school community.

On behalf of the students and parents of the Middle School I would like to thank the coordinators – Sabrina Luciano, Nicholas Barca and Joanne Sayer, stepping in during Terms 3 and 4, for their tireless work and commitment. Our students know that they are supported and encouraged to be their very best. Haroula Christodoulou has continued the excellent transition program, which ensures our students and parents feel welcomed and enthusiastic about choosing Heathmont as their secondary school. I would also like to acknowledge the work of Rita Chiodo in Student Wellbeing, for her care and support for all the students. Ellen Holland, as Student Leadership and Pathways coordinator, has provided our leaders with important and responsible opportunities. Thank you also to Rebecca Campbell for providing programs and support to Middle School students and staff which have ensured students enjoy the year and grow in confidence. Lastly, thank you to all the Middle School staff for providing challenging and interesting work for students and encouraging them to excel.

YEAR 9 – SEMESTER 2

- My favourite part of City Experience was seeing the animals at the Melbourne Aquarium and learning about all the different animals. Ashley Oakland.

- Favourite City Experience activity was going to the Aquarium and learning about all the different habitats they live in. Josette Hema.

- My favourite City Experience was ACMI because it was fun and interesting and something new. Zoe Double

- My favourite City Experience was the Etihad Stadium and ice-skating because with Etihad we all came together and shared a once in a lifetime experience for some people. Nathan Georgiadis & Sean Henry.

- The thing I like most about City Experience is the fact that we get to go out with our friends and it’s fun. For me the City Experience I liked most was the Holocaust Museum, I liked it because we are the last generation to hear the stories and see the people who survive. Nikita Binks

- The best part of HiPE@9 for me would have to be City Experience because we did some fun things. We went to the Aquarium, IMAX, the Eureka Tower and various other things like ice-skating. We also went to visit the Jewish Holocaust Museum where we learnt about the war and what survivors of it went through. At the ice-skating I didn’t fall over at all and it was pretty hilarious to see other people fall over. After the ice-skating we went to have lunch at Etihad Stadium. I had a chicken parma with chips and a side salad. HiPE@9 this semester has been very good but City Experience was the best part by far. Tom Collins

- My favourite part of HiPE@9 altogether would have been all of the city experiences we went on. We went around Melbourne to places like the Aquarium, IMAX and the Eureka, ACMI, the Jewish Holocaust and ice-skating. Those times were exciting and memorable and it was even better to spend it with a great bunch of people. HiPE@9 was the highlight of Year Nine. Annie Leeman

- This semester in HiPE@9 we spent 5 days in Melbourne city. We went to the Aquarium, IMAX, Eureka Tower, Medibank Icehouse, Jewish Holocaust Museum and ACMI. I enjoyed all of the places we went and I learned about how to catch public transport. The one I enjoyed the most was probably the ice-skating with lunch at Etihad Stadium. Jacqui MacDonald

- On the whole, City Experience was a great experience. My favourite experience was at ACMI. At ACMI there were two main activities we could do. There was “Make a Live TV Show” and “Film It”. In “Film It” we had one hour to film and edit a short film. The films turned out quite well despite the short amount of time we had to spend on filming and editing and overall it was a wonderful experience. Brian Perry

- A good memory from City Experience was ice-skating and watching people fall over because it was a an hilarious sight. HiPE@9 has been good but as I said before I still enjoyed City Experience the most! Maddi Willis.
On Tuesday December 9 the Heathmont College Choir performed Christmas carols for the residents at Marlborough Gardens. This has been an annual event for Heathmont College music students with past performances also involving students from Concert Band. We enjoy bringing Christmas cheer to the residents of Marlborough Gardens who sang along to favourites including Frosty the Snowman, Jingle Bell Rock and Silent Night. This was definitely one of the performance highlights of the year for us and with the enthusiastic singing from our audience it was clear the residents of Marlborough Gardens had a great time also! We wish you a very Happy Christmas and look forward to performing for you next year! A big thank you to all students who participated in this performance, you have given some wonderful performances this year and this was a very positive way to finish the year! Have a fun holiday break!

NEVR Rookie Band Workshop Day
Selected instrumental music students from Year 7 and 8 were involved in a Rookie Band workshop day on Friday November 28 at Lilydale Heights Secondary College. The event was organised by the North Eastern Region Music Co-ordinators and provided a great opportunity for our first year brass, woodwind and percussion students to play in a giant 100 piece Junior Concert Band.
Our musicians met players from approximately 10 Eastern Region secondary schools and spent the day rehearsing, attending tutorials, eating giant muffins and making new friends. The day finished with a recording session. Thank you to our music teachers Sally Barkla, Travis Easton and Adam Watson for accompanying students on a wonderful day of music making!

Music 2015
Next year Heathmont College will continue to offer lessons in Guitar, Voice, Drumkit, Trumpet, Trombone and Saxophone. Now is a good time to enrol for 2015 before places are taken. See Ms Avery on Monday, Tuesday or Wednesday in C Block or contact through Compass for more details.
Congratulations to all music students for your hard work this year! You have given some fantastic performances, some for the very first time! I look forward to seeing you all next year and to see you all continue to develop as musicians! Have a wonderful Christmas!

Important reminder: As we are finishing for the year, it is important that all musical instruments on hire are returned as soon as possible, particularly if you are not continuing into 2015.

**ELECTION DAY SAUSAGE SIZZLE**

A very big thank you goes to all the Heathmont College staff and students who volunteered their time at the election day sausage sizzle fundraiser. Sausages and onion were sizzled, water melon carved and ice cold drinks were served.

A total of $630 was raised by the team. Well done!

A special thank you goes to:

Studfield Brumby’s Bakery-Wantirna; Scoresby Village Butcher-Scoresby; Fruitopia Fruit shop-Wantirna Mall

These community businesses all donated the supplies needed to make the fund raiser such a success. Again, on behalf of Heathmont College and those who will benefit from our Community Service Projects we thank you for your generosity.

Rationale
Uniform assists students to develop a sense of pride in belonging to the college community. It enables identification of our students both at and away from the college. By providing a variety of options, the uniform caters for student preferences and individual needs. College uniform, being neat, distinctive and easy to maintain, minimises the cost of clothing for parents and promotes a safe inclusive sense of community.

Purpose
The purpose of this policy is to:
- assist in the development of self-discipline by specific attention to dress;
- help reduce social and economic differences between students;
- assist in the provision of a safe and secure environment through immediate identification of unauthorised people in the College buildings and grounds;
- foster a positive image of Heathmont College in the local community.

Guidelines
1. All students are required to wear the designated College uniform - see uniform options as listed.
2. College uniform must be worn correctly to and from the college, at the college and for all college activities unless the Principal gives an exemption for a particular activity such as a student-free dress day.
3. College uniform requirements will be described in detail in the student diary, college documents/website.
4. College uniform should be practical and easily available.
5. Heathmont College sports uniform must be worn for physical education and when representing the college at sporting events.
6. Provision through such agencies as the Wellbeing at the College and State Schools Relief Fund will be made to assist families who have financial difficulty in providing a uniform.
7. All staff members are responsible for monitoring student uniform.
8. The Student Code of Conduct will be implemented to ensure that students comply with uniform requirements.
9. Wearing of specialised uniform items such as the Year 12 Jacket/tour windcheaters/sports team uniforms have strict parameters. This guideline will be reviewed by School Council as required.

Basis of Discretion
Exemption from the policy will only be varied by the Principal where special circumstances exist.

Program Implementation
1. The Uniform Sub-Committee will make recommendations regarding changes to uniform.
2. A student who is not in complete uniform must bring an explanatory note from a parent/guardian to the appropriate Level Co-ordinators office prior to period one.
3. Period one teacher must check uniform and record the infringement on COMPASS.
4. The Level Co-ordinator will be responsible for issuing temporary uniform passes to students who provide adequate explanation for being out of uniform.
5. Any student who is out of uniform shall be referred by the appropriate Level Coordinator to the General Office, and will be required to change into correct uniform provided by the College.
6. If a student refuses to change the parent will be contacted and appropriate action will be taken. This may include the student being excluded from class/receiving uniform from home.
7. Persistent offenders will be subject to the disciplinary procedures of the college which may include lunchtime detention or after school detention.
8. Physical Education teachers shall ensure that correct PE uniform is worn; this includes safe and supportive sports footwear - no soft canvas runners
9. PE uniform can be worn all day when a student has a timetabled PE lesson or is representing the college at sport.
10. Acceptable college uniform will be published in the student diary, staff handbook and on the college website.
11. Second hand uniform shop is available through the Uniform Shop.
12. Excursion permission forms will specify if uniform or casual dress is required.

Evaluation
This policy will be reviewed every two years, with recommended changes to be presented to College Council.
