Welcome back to 2015

Welcome back to all the families at Heathmont College.

The College year has commenced on a very positive note and I would like to thank all of the staff who have spent many hours over the term break preparing work for classes, and to the Education Support staff who have been dealing with logistics. I would especially like to thank John Ikin, our Maintenance manager for all the work he has done since early January organising the numerous tradesmen we have had in doing work. The school is looking very smart as a result of this.

VCE Results 2014

We are looking forward to another successful year at the College – building on from our recent academic successes. Heathmont has experienced sustained growth in Naplan and the VCE with the four year trend achieved here being statistically significant. Heathmont has once more performed on par with, or exceeding, the results of schools in the local area.

The excellent outcomes have been reflected in the tertiary offers made to our students.

These have been in the following fields of study:

- Medicine
- Veterinary Science
- Engineering
- Commerce
- Psychology
- Occupational Therapy
- Social Work
- Nursing
- Education
- Information Technology
- Sport Management

Welcome to new staff

Heathmont College Chaplain

Alan Silverwood.

Alan will be known to many within the College community as he has a long association with Heathmont, having been School Council President and also a past parent. I am delighted that he is joining us. He will be a valuable addition to the student wellbeing team at Heathmont.

Learning Groups

Would all parents please note that after the College review last year the recommendation was made to place a greater emphasis on the role of the Learning Group Teacher.

As a result, all phone calls from parents will be directed to the Learning Group teacher in the first instance. This will allow the teacher to have a much more active role in the pastoral care of their students and build on the relationship commenced at Learning Group interview day.

Visitors to the College

A reminder to all that visitors to the College must be registered at the office and issued a visitor’s pass. This includes parents who are coming in for scheduled appointments with staff.

Parents who wish to meet staff are advised to call and make an appointment with them, rather than turning up at the College and hoping they are free. This is in order to avoid parents being disappointed if the staff member cannot see them.

Staff have busy timetables and meetings are scheduled for nonteaching times. Additionally, they have extra curricula commitments at the school to fulfil, which means it can be very difficult for them to be available at short notice.

I appreciate parents’ cooperation in this regard.

Johanna Walker
College Principal
Welcome to the students, families and staff of Senior School 2015. I hope the break has been a restful one for you and your family and the Christmas Season was a time of shared joy and peace with those dear to you.

As the 2015 school year commences, I would like to take the opportunity to introduce the Senior School Team:

Head of Senior School - Haroula Christodoulou
Year 10 Co-Ordinator - Nicholas Barca
Year 11 Co-Ordinator - Dean Hewitt
Year 12 Co-Ordinator - Melissa McMurray
VCAL Co-Ordinator - Linda Lopez
VASS Co-Ordinator - Patricia Johnston
Student Pathways - Nina Ling

Given the slight changes to staffing in 2015 it is timely to remind parents and guardians about our systems of communication at the College. It is important for parents and students to have access to Compass, as this will be the main port of communication in the College. As has always been the case, the Learning Group Teacher is the first port of call for any issues or information that is required. Our Level Co-Ordinators, as outlined above, should be contacted for more serious issues.

Rita Chiodo is our Wellbeing Co-Ordinator and, for the first time this year, we are introducing a School Chaplain, Alan Silverwood, who will be available once a week. As Head of Senior School, I have the overall responsibility for your child’s academic progress and wellbeing. It is very important that parents and guardians have a good working relationship with the Learning Group Teacher, Year Level Coordinator and Head of School. We also expect that you contact subject teachers when and if the need arises.

Together with the classroom teachers, the senior school team is really looking forward to working with students this year. We will continue to strive towards our motto of See it. Believe it. Achieve it. We are proud of the graduating class of 2014, who received such outstanding results. They proved that with hard work, determination and a drive to succeed, you can reach your goals and live your dreams. Our vision is to continue to grow and improve student outcomes with the class of 2015.

The College looks forward to a very exciting and prosperous 2015 school year with the College value “growing through knowledge” guiding our direction and purpose.

Haroula Christodoulou
Attention all budding singers!!

New to Heathmont College in 2015, vocalist and songwriter Bethany Stephen has been writing, recording, touring and performing extensively, both locally and internationally, with her group, The Little Stevies, for the past twelve years.

Having studied Voice at The Victorian College of the Arts (Jazz/Improvisation), recorded four original albums that have gained wide public exposure on Australian media outlets including Triple J, ABC, Triple R and commercial television, and having performed at various major music festivals and events throughout Australia and North America, you want to learn to sing from her.

Whether you want to make it as a professional singer, songwriter or entertainer, or just love to sing because it makes you feel good, be sure not to miss the opportunity to enrol in instrumental voice lessons for this year. Contact Miss Stephens on 98714888 or via Compass.

SPORT

In 2015, we have implemented a few important changes in the sports department that the college community needs to be aware of.

Firstly, School Sport Victoria has restructured the districts in the Eastern Metropolitan zone. We have been placed into a brand new division called Mullum that will see us play sport against similar sized schools in Ashwood College, Auburn High School, Forest Hill College, Mullauna College, Templestowe College and Warrandyte High School.

Another change is that we have increased the cost of all sports excursions from $5 to $8. Sport at Heathmont has stayed at a cost of $5 for a number of years and we still offer sport at a cheaper price than many other schools in our area. Each sport day is a considerable cost to the college when you consider bus hire, court/field hire, umpire payments and CRT cost and this price increase will help assist in covering some of these costs.

Finally, we will no longer be providing students with paper permission slips for sports excursions. We would like parents to complete consent and payment through Compass. If wishing to pay cash, students will need to receive a printed permission slip from the general office before school, recess, lunch or after school and hand this with their cash payment to the general office.

I look forward to an exciting 2015 and I hope we have many successes on the sporting fields.

Andrew Wright
As part of their study of “Doing Science” the year 7s have been finding the colours hidden within other colours. Using water based textas, water and filter paper the students have created their own rainbows of colour.

As part of their study of “Being Scientific” the year 8s have had money to burn. Using paper “money”, matches and the magic of our own custom solution, the students have watched their money go up in flames – without burning!

As part of their study of “Consumer Science” the year 9s have been finding out just how stretchy snakes can be. Using a variety of confectionary snakes, and a ruler, the students’ understanding of comparing similar items has also been extended.
From the Chaplain’s Pen  
“Introducing me”

My wife Bonnie & I have been involved in various ways in schools for almost 30 years. I started as Chaplain at Great Ryrie PS in 2007 & Boronia PS [now Boronia K-12 College] in 2008.

Our 3 children all went to Heathmont College - Sam [almost 33, married, a teacher, son Ezra], Paul [30 & a roofing technician] & Natalie [27, married & is an OT with Eastern health]. Bonnie mainly works in catering, including for funerals.

I was on School Council, including as President, in the last years of our time at Heathmont. It is great to be here in a different dimension.

I am excited about the opportunity to bring an extra dimension to pastoral care at our College. I will be here on Wednesdays, and can meet with students, staff or family members.

We all struggle with life issues, and need someone to listen, and to help identify feelings, and strategies to cope. All of this is kept confidential.

I will also be involved as needed in school-based programs, supporting teaching staff, and attending extra school programs as appropriate.

**UMAT**

Applying for Medicine/ Dentistry/ Oral Health/ Optometry/ Physiotherapy?

If you are applying for any of these health science courses, you may need to sit the Undergraduate Medical Admissions Test (UMAT).

This is a three-part test that you sit in July and selected universities use your UMAT score as part of the selection process, in conjunction with your ATAR and in some cases an interview.

You will be tested on the following logical reasoning and problem solving, understanding people and non-verbal reasoning.

You will only have one chance to sit the UMAT this year— the test will be held Wednesday 29 July. You must be in Year 12 and you must register online to sit the test by 5pm June.

Please go to [http://umat.acer.edu.au](http://umat.acer.edu.au) for more information about the UMAT and to see if you have to sit the test.

You can also join the ACER UMAT Facebook page to keep up to date with key information.

How can I get involved?

Mentoring:
Are you over 21 years of age, can make a commitment of at least one hour a week over a 12 month period, hold a full drivers licence and want to help young learners?

Learner Driver:
Are you a young person who is unable to get the 120 hours driving experience required to apply for your probationary licence?

For more information please contact the L2P Coordinator at UnitingCare Harrison on 9871 8700

What is the L2P Program?

L2P is a community based volunteer program designed to provide driving practice for young learner drivers who face significant barriers in gaining their 120 hours of driving practice required to obtain a probationary licence.

How L2P Works

Volunteer Mentors are required to register their interest in the program, attend an interview, and complete the mandatory checks and VicRoads training.

Young learners are also required to apply and attend an interview before being accepted into the program. Learner drivers are matched with licensed volunteers, and use a fully maintained, and serviced vehicle, with a minimum four star ANCAP safety rating, to gain their 120 hours driving experience. Eligible learner drivers will receive up to seven professional lessons throughout the program, to evaluate their progress at the different stages of learning to drive.

Volunteer Mentors

Mentors are volunteers from the community who undertake a selection and training process to fulfil the role of supervising driver. Mentors develop a trusting and supportive relationship with the young person by providing them with the tools they need to be safe and confident drivers. Mentoring provides volunteers with the opportunity to meet new people, develop new skills and have a positive impact on the lives of young learner drivers.

Learner Drivers

L2P is for young learners 16 – 20 years of age, with a current Learner’s permit who live in the Cities of Knox or Maroondah. The L2P program helps young people who have significant barriers to learning to drive, and who do not have access to a vehicle or supervising driver to gain their 120 hours driving experience. There is no charge to participate in the program.

Dear Parents

Second-hand Textbook Trading

The College is delighted with the outcomes and will continue to use the services of the Sustainable School Shop to enable families to buy and sell their second-hand textbooks and other student resources. We encourage families to continue to support this helpful service.

Please be informed that the complimentary subscriptions provided by the Sustainable School Shop for the past year will commence to expire.

Families are offered three levels of access:

- Search only - registering/logging-in on the Sustainable School Shop, searching all the for sale ads and gaining the sellers’ contact details is free.
- Single items cost $1.00 to be advertised
- Subscription - an annual subscription costs $19.95 and is the most anyone will pay. These are taken by families who have many items to advertise.

The service provides access to second-hand textbooks, calculators, stationery, musical equipment, etc all year round. Parents can even trade with other parents from nearby schools and sell items no longer in use at our college. Many schools in the area are using this service.

For the best results:

- Register on the website: www.sustainableschoolshop.com.au
- List your items for sale
- List wanted ads for those items you are looking to buy
- The college’s booklists are loaded into the system to make listing ads easy
- The system matches the ads of buyers with sellers and notifies the buyer via email
- Buyers contact sellers and arrange where and when to trade
- Most trading will occur with other parents from the school
- Parents are well supported via Sustainable School Shop’s telephone (1300 683 337) and email help lines
- The system is simple and easy to use - If you don’t have a computer, internet access or an email address, please call the Sustainable School Shop for assistance
- You can pre-arrange the transaction and then trade after the texts are not required.

All enquiries should be directed to the Sustainable School Shop on: 1300 683 337 or help is also available through ‘Contact Us’ on their website at www.sustainableschoolshop.com.au

We hope you will make the most of this opportunity and gain the benefit from recycling your student’s school items and assist another family at the same time.

Rationale
Uniform assists students to develop a sense of pride in belonging to the college community. It enables identification of our students both at and away from the college. By providing a variety of options, the uniform caters for student preferences and individual needs. College uniform, being neat, distinctive and easy to maintain, minimises the cost of clothing for parents and promotes a safe inclusive sense of community.

Purpose
The purpose of this policy is to:

- assist in the development of self-discipline by specific attention to dress;
- help reduce social and economic differences between students;
- assist in the provision of a safe and secure environment through immediate identification of unauthorised people in the College buildings and grounds;
- foster a positive image of Heathmont College in the local community.

Guidelines
1. All students are required to wear the designated College uniform - see uniform options as listed.
2. College uniform must be worn correctly to and from the college, at the college and for all college activities unless the Principal gives an exemption for a particular activity such as a student-free dress day.
3. College uniform requirements will be described in detail in the student diary, college documents/website.
4. College uniform should be practical and easily available.
5. Heathmont College sports uniform must be worn for physical education and when representing the college at sporting events.
6. Provision through such agencies as the Wellbeing at the College and State Schools Relief Fund will be made to assist families who have financial difficulty in providing a uniform.
7. All staff members are responsible for monitoring student uniform.
8. The Student Code of Conduct will be implemented to ensure that students comply with uniform requirements.
9. Wearing of specialised uniform items such as the Year 12 Jacket/tour windcheaters/sports team uniforms have strict parameters. This guideline will be reviewed by School Council as required.

Basis of Discretion
Exemption from the policy will only be varied by the Principal where special circumstances exist.

Program Implementation
1. The Uniform Sub-Committee will make recommendations regarding changes to uniform.
2. A student who is not in complete uniform must bring an explanatory note from a parent/guardian to the appropriate Level Co-ordinators office prior to period one.
3. Period one teacher must check uniform and record the infringement on COMPASS.
4. The Level Co-ordinator will be responsible for issuing temporary uniform passes to students who provide adequate explanation for being out of uniform.
5. Any student who is out of uniform shall be referred by the appropriate Level Coordinator to the General Office, and will be required to change into correct uniform provided by the College.
6. If a student refuses to change the parent will be contacted and appropriate action will be taken. This may include the student being excluded from class/receiving uniform from home.
7. Persistent offenders will be subject to the disciplinary procedures of the college which may include lunchtime detention or after school detention.
8. Physical Education teachers shall ensure that correct PE uniform is worn; this includes safe and supportive sports footwear - no soft canvas runners
9. PE uniform can be worn all day when a student has a timetabled PE lesson or is representing the college at sport.
10. Acceptable college uniform will be published in the student diary, staff handbook and on the college website.
11. Second hand uniform shop is available through the Uniform Shop.
12. Excursion permission forms will specify if uniform or casual dress is required.

Evaluation
This policy will be reviewed every two years, with recommended changes to be presented to College Council.
